SERVICES

Comprehensive Event Management

End-to-end support for virtual and hybrid events. From planning and setup, to live support and reporting, our team can help you build any event.

Scalable Program Support

Ongoing management for high-volume virtual event programs, with dedicated managers and event producers.

Microsoft Teams-Integrated Software

Built to enhance Microsoft Teams and Town Hall with advanced registration, branding, communication, segmentation, and reporting.

Flexible Delivery Formats

Support for live, hybrid, simulated live, on-demand, and in-person delivery tailored to global audiences

DIFFERENTIATORS

Proven Enterprise Scalability

Over 170 years of combined experience supporting high-stakes global events.

Microsoft Teams Mastery

Microsoft Teams and Town Hall experts; complex event builds, troubleshooting, and client training.

Industry-Leading Turnaround Times

Service-level agreements as fast as 48 hours for event production without compromising quality.

Real People, Real Support

24x5, real-time phone and email help from virtual event experts for presenters and attendees.

"I can't thank you enough, everything that I've asked you to assist me with, to assist our speakers with, it is unmatched. I could not do what I do without you. The entire EventBuilder Team has been such a wonderful support system for me, and I am thankful for our collaborative partnership."

Yolanda Frazier, President of the NAACP

"We have been using EventBuilder for our partner events and have great success with the platform. The EventBuilder team is very responsive with excellent customer service. We always get a thorough answer the first time."

Mike Iem, Senior Program Manager
