When: December 15, 2021 8:00 AM (America/Los_Angeles)

Duration: 60 minutes

[REGISTER TODAY!](#)

Welcome! Together with Microsoft Teams, EventBuilder's suite of services and software creates a complete webinar solution, giving you the event management tools you need and the results you want.

Click the *Register Now* button to attend a live demo of EventBuilder software. During this demonstration, you will see first hand the following:

- Highly customizable registration and email communications for virtual or in person events
- Listing pages that can group series of events at one URL
- Multiple options for gathering registrant information and surveys
- Portal level templates allow you to implement company wide initiatives for branding, privacy and data requirements

- Browser-based, no download attendees
- Privacy—attendees cannot see each other

Following the demonstration, we will open

Presented By

Susanne Williamson Senior EventBuilder

Susanne Williamson stands at the forefront of years evangelizing an industry-championed online meetings to the virtual meetings.
